Hi Jeff,

I agree that we should add a discussion on the Beach Act Rulemaking.

We would also like to add discussions on Compliance schedules for permits, and mercury.

See you on Monday.

Thanks,
Mark

Hi Mark – Javier and I are looking forward to our management team get together on Monday. Below is a slight revision to the draft agenda that Javier sent you in mid-March. We thought it would be helpful to add a discussion on the Beach Act Rulemaking since there's been a lot of staff discussion on this, and we also wanted to go over where things stand with respect to Class I & SD waters. I hope this works for you.

We'll see you on Monday.

Take care,

Jeff
